Gift ideas from our Foodhall

The Lost Loch Spirits distillery is in the heart of Royal Deeside, 30 miles west of Aberdeen. The distillery is built on the banks of the now drained Loch Auchlossan or the Lost Loch. The landscape and the history surrounding them seeps into the storytelling, flavours, and the branding.

Lost Loch use natural ingredients and where possible local produce. They respect the environment and the distillery takes a percentage of its heat and power from renewable energy.
